ESNS SUMMER CAMP 2024

9001 Clayton Rd, St. Louis 63117
www.ethicalsocietynurseryschool.com

A Day at Camp: 8:45am-11:45am

3-Day Program for Ages 2 ½ to 3 ½
5-Day Program for Ages 4 to 7

The Ethical Society Nursery School continues our esteemed early childhood education program through our 2024 Summer Camp. Join us for any or all weeks during our June and July offerings below and experience the joys and benefits of play-based learning. Engage in science, music, water play, and crafts built around the weekly theme.

Register Today!

www.ethicalsocietynurseryschool.com
Applications can also be requested at staciezd@gmail.com or (314) 991-1353

June 3-7: Under the Sea

Deep dive into the ocean! We will explore all the incredible creatures and habitats the ocean has to offer & how we can keep them safe and clean.

June 10-14: Letters, Numbers, Shapes, Oh My!

What numbers and shapes can we find all around us? Build & sort with large and small shapes. Do yoga in the Rainbow Room. Letters, numbers, and shapes are incorporated into our daily activities.

June 17-21: Pete the Cat

Immerse yourself into the wonderful stories told by Kimberly & James Dean. We will count, rhyme, and laugh our way through the week with Pete the Cat and his friends.

June 24-28: Camping Under the Stars

Pitch your tents at ESNS! Create a cozy bonfire for s'more making and read books under the "stars." Singing, dancing, tie dying, and working together with your fellow campers through dramatic play!

July 8-12: Superhero Academy

Welcome all superheroes in training! Practice your "HERO" skills by participating in some fun relay races and evaluating the different superpowers you have in your "tool kit" - kindness, sharing, helping and more.

July 15-19: ESNS Wonder Lab

"Emily's Wonder Lab" but instead of Emily YOU will be the Scientists! This week is all about staying curious and exploring the wonderful world of science. Make your very own ooblek, discover how to make an egg bounce, and so much more!

July 22-26: Camp Culinary Creations

Touch, taste, smell, and take a closer look at where your food comes from. Create fun and simple recipes while learning how to be safe in a kitchen and using fine motor skills whisking, stirring, & cutting your food.
